

RESIDENTIAL

We make certification **our** focus; to streamline the pathway for assessment to approval.

We specialise in:

- Apartment buildings
- Multi-dwellings
- Townhouses & terrace homes
- Single and double-storey homes
- Dual occupancies
- Secondary dwellings & granny flats
- Alterations & additions
- Demolitions*
- Detached structures (pools, studios, cabanas, sheds & garages)

* Demolitions are part of our assessments unless requested separately.

Less paperwork. Faster approvals.
More time for what matters.

CLIENT PORTAL

Your certifier shouldn't add to your workload.

Less paperwork
Instant updates
No back-and-forth email
Emails sent, lost, and sent again.

“Sydney Wide’s portal
has saved our team
countless hours, we’ll
never look back”
- Zealous Consulting

The Old Way

- ✗ Waiting days for a response
- ✗ Email chains with documents buried across threads
- ✗ Chasing your certifier for status updates
- ✗ Phone calls and email chains to book inspections
- ✗ Chasing answers by phone and email

The SWC Way

- ✓ Fast turnaround on approvals
- ✓ One centralised portal – nothing gets lost
- ✓ Real-time visibility, any time you log in
- ✓ Book inspections instantly via our portal
- ✓ Direct communication with certifiers
